Dear patient,

In your own interest, please take a moment to read the following.

In connection with your treatment, we accrue data about you, which we need to process to the necessary extent in order to perform the treatment contract. Subject to compliance with the relevant provisions of data protection law, these data may be also disclosed to third parties to the required degree (e.g. laboratories, physicians providing further treatment). We transmit your personal data to third parties only if this is permitted by law or if you have given your consent.

We intend to engage PVS Südwest GmbH, a professional association of the medical profession with many years of experience in billing physicians' fees, for the purposes of billing for the services that we provide to you. The purpose of this collaboration is to relieve our administration of the burden of dealing with billing questions. As a result, we will gain more time to provide optimal care to our patients. Your billing statement for our fees is generated in accordance with our specifications.

We would therefore like to ask that you read the attached declaration of consent and provide your consent to the described billing procedure, including to the disclosure of your medical data necessary for this purpose. Your consent is voluntary. Your treatment is not dependent on this declaration of consent.

The recipient of the data is PVS Südwest GmbH. As an entity under a duty of professional confidentiality, it is subject, as are we, to provisions concerning the statutory obligation to maintain doctor-patient confidentiality, as well as those concerning data protection. Sometimes, there are questions or requests concerning an invoice. PVS Südwest GmbH will be glad to assist you with them. It also offers comprehensive online services concerning your invoice. For all billing questions, you can reach PVS Südwest GmbH as your competent contact partner by writing to C 8, 9, 68159 Mannheim, by calling 0621-1640, by sending an email to rechnung@pvs-suedwest.de, by visiting www.pvs-suedwest.de or by using the patient service portal at www.pvs-suedwest.ihre-arztrechnung.de.

The medical data processed by PVS Südwest GmbH are blocked when no longer needed and then erased after expiry of the statutory retention periods. You have the right to obtain information about the personal data concerning you. You also have the right to obtain the rectification of inaccurate data. In addition, under certain conditions, you have the right to erasure of data, the right to restriction of data processing, and the right to data portability. You also have the right to withdraw your consent.

Please direct your concerns about data protection directly to the data protection officer of PVS Südwest GmbH by email: datenschutz@pvs-suedwest.de or fax: 0621-1645370. You can obtain further information about data protection at PVS in the "PVS Transparency Declaration", which can also be viewed at any time at www.pvs-suedwest.de.

4. This declaration also applies to claims arising from future treatments. It may be withdrawn at any time with prospective effect by giving notice to my physician or PVS Südwest GmbH. Withdrawal of consent does not affect the lawfulness of processing that has taken place up to such time on the basis of this consent. In the case of withdrawal, no further data will be transmitted between my physician and PVS Südwest GmbH.

I hereby grant my consent.
